

IMPORTANT.

In 2016, New Hampshire received almost \$4 BILLION through 55 federal programs guided by Census data. It also determines how many seats NH gets in Congress.

EASY.

Complete the census online from anywhere you have computer access. It's short and simple, only 9 questions.

SECURE.

Information is confidential and anonymous. Data will not be shared with law enforcement or others, under penalty of law.

When and how

- Starting March 12:** Fill out your census online (you'll be mailed logon information). Those with only P.O. Boxes can visit the Library to learn how.
- April 8-16:** You'll receive a paper questionnaire if you haven't filed online yet.
- May-July:** A Census worker will come to your house if you still haven't completed your form.
